Dear all –

Here are the 2 documents that Chris and I mentioned at the 3pm today, that can serve as background/messaging for our calls on Wednesday with the OEMs and the supplier groups.

OTAQ is not in control of either of these documents. The 1 page document is a draft Chris created for the Administrator for any calls to the UAW/OEM that she may make.

The second document is a script from Dan Utech for the calls that Janet McCabe, Dan Utech, Shoshanna Lew and Jason Miller plan to make to the UAW and the OEMs.
